Whitetail Club is experiencing strong demand for its Fairways Homes, directly on the golf course, and its Design Build Collection, its newest customizable real estate offering. Incorporating modifiable floor plans and interior finishes, these homes accommodate a comfortable work-from-home lifestyle paired with the adrenaline-rushing adventures of the outdoors. Customizable mountain-lake homes from the Design Build Collection can include private offices, conference rooms, and a media room—allowing buyers to choose more than one when designing their dream home. The collection of 34 transitional-styled, spacious homes known as The Fairways at Whitetail Club feature three to four bedrooms and come available in two models, offering discerning buyers an array of options to personalize their spaces.

With a unique mountain lifestyle in the wild terrain of Idaho, Whitetail Club, prestigiously named one of the 2021–22 Platinum Clubs of America list of Top 150 Country Clubs, offers members experiences such as year-round romantic dining inside a yurt to a morel mushroom foraging hike, culminating in a personalized in-home cooking class.
